# THE ELECTRIC VEHICLE CLUB

**Newsletter**

Edition #03

A SPECIAL THANKS TO:

FACULTY COORDINATOR:

DR. AJAY SHARMA

STUDENT COORDINATOR:

MR. ANSH SINGH

**ORGANIZED BY  
EV CLUB**

The event was organized to bring together participants in a thrilling competition centered around electric vehicles, showcasing their skills, strategies, and innovations in sustainable transportation. Its goal was to provide a platform for creativity, teamwork, and the advancement of eco-friendly technology, while fostering a spirit of friendly rivalry. Throughout the event, contestants battled in various rounds, testing their engineering abilities and pushing the boundaries of electric vehicle design. Ultimately, the event aimed to celebrate the spirit of competition, inspire future innovations, and promote the adoption of electric vehicles for a greener future.

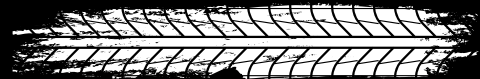

## PETALS OF GRATITUDE

A vibrant floral felicitation honored Dr. Pushpinder Singh Patheja and Mr. Nitin Gupta for gracing the occasion with their presence. The token of flowers, symbolizing respect and gratitude, was presented by the club's faculty coordinator, Dr. Ajay Sharma.

## LIGHT OF SUSTAINABILITY

The event commenced with reverence as Dr. Pushpinder Singh Patheja lit the holy lamp, invoking the blessings of Goddess Saraswati. The ceremony marked an auspicious and graceful beginning to the occasion.

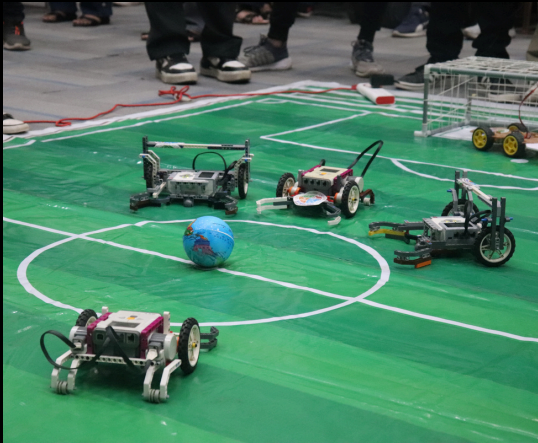

## ECHOES OF BEGINNINGS

The event began with a warm welcome as the introductory comparers set the stage with their engaging words. Their eloquence and enthusiasm captured the audience's attention, creating an atmosphere of excitement and anticipation.

## FIERCE ACTION UNLEASHED

Driven by ambition, participants dived into creating smart strategies for RoboSoccer victory. With innovative ideas, they planned robotic moves as carefully as master tacticians. The room buzzed with focus and excitement, every detail carrying the hope of success. Teamwork and competition came together, sparking creativity and determination. For them, winning wasn't just about triumph—it was a celebration of skill and engineering brilliance.

## THE BATTLE-READY SURGE

The stage was set for an intense battle as contestants practiced rigorously before the big face-off. Teams fine-tuned their robots and perfected strategies, receiving guidance from volunteers. The air buzzed with motors and teamwork, each move aimed at achieving peak performance for the ultimate showdown.

## DESTINY UNFOLDS: THE FIXTURE DRAW

The random drawing of fixtures added an exciting element of surprise to the matchups. Teams felt their heartbeats quicken as each draw was revealed, heightening the anticipation and pressure for the upcoming battles.

## GOALS GALORE

The events unfolded with electrifying excitement, as teams battled fiercely, breaking deadlocks and chasing goals with unmatched determination. Every move sparked energy and passion, keeping the audience on the edge of their seats.

## BEHIND THE SCENES: CLUB & VOLUNTEERS

The EV Club poured their hearts into hosting the RoboSoccer event, crafting every detail with precision and passion. From designing arenas to fine-tuning robots and solving technical challenges, their relentless efforts were unmatched. Club members and volunteers worked in harmony, their camaraderie fueling the event's flawless execution. Their dedication transformed an ambitious vision into a spectacular celebration of innovation and teamwork.

# CROWNING THE CHAMPIONS

The winners emerged victorious through skill, strategy, and unwavering determination, overcoming intense competition to claim the top spot. Their achievements were celebrated with resounding applause as they stepped forward to receive their awards. The trophies stood as proud symbols of their success and excellence.
